The Deputy Mayor took the Chair

75.0 Councillor Carr opened the meeting and informed members that they had been invited into the garden of Bryn Canol to view the tree that it was proposed to fell.

The meeting moved into Bryn Canol. It was noted that the tree in question was a Cherry species, and there were several small self-seeded saplings nearby. The owner was thanked for allowing members to view the tree, and the meeting moved to a location outside of Bryn Canol.

Following a short discussion, it was agreed to approve the application to fell the tree.

Approval recommended.
