The Town Mayor welcomed all and asked the Town Clerk for an update.
The Town Clerk provided the summary of the facts since April 2022 and the difficulties at the office with sickness and Covid.
The Internal Auditor had the paperwork for the last two months but there were numerous queries before they could be approved.
The Town Clerk had emailed Audit Wales last week with the proposed timetable and it was acceptable. She said a copy of such email was in the Correspondence File (Not read Out) for tonight's Finance and Planning meeting.
The Internal Auditor explained to all the difficulties he was faced with and the main point was that numerous transactions were now going through one bank account.
Questions were put to the Internal Auditor.
It was proposed seconded and carried by a majority that the timetable be accepted in that the Statement would be presented at the next Full Meeting with the Internal Auditor's Report and that all the paperwork be submitted by no later than Friday the 11th November 2022.

The meeting closed.
