Beaumaris Town Council
Audit for the year ended 31 March 2018**

Introduction

The following matters have been raised to draw items to the attention of Beaumaris Town Council. These matters came to the attention of BDO LLP during the audit of the annual return for the year ended 31 March 2018.

The audit of the annual return may not disclose all shortcomings of the systems as some matters may not have come to the attention of the auditor. For this reason, the matters raised may not be the only ones that exist.

The matters listed below are explained in further detail on the page(s) that follow;

- Expenditure powers - S137 power incorrectly used
-

The following issue(s) have been raised to assist the body. The body is recommended to take action on the following issue(s) to ensure that the body acts within its statutory and regulatory framework.

Expenditure powers - S137 power incorrectly used

What is the issue?

Payments were made for improvements to the recreation ground which could have been authorised under S19 of the Local Government (Miscellaneous Provisions) Act 1976, power to provide a wide range of recreational facilities or S164 of the Local Government Act 1972, power to provide recreation grounds, manage and control them.

A donation was made which could have been authorised under S145 of the Local Government Act 1972, provision of entertainment and support of the arts including festivals and celebrations

Why has this issue been raised?

The council incorrectly recorded items as Section 137 payments when other statutory powers existed. A payment cannot be recorded under S137 if another statutory powers exists.

What do we recommend you do?

The council must ensure in future years that it reviews the list of statutory powers available to council to establish if a power exists before relying on S137 to authorise a payment. The statutory power being used to authorise expenditure should be recorded alongside the item to demonstrate the council has properly followed its standing orders and financial regulations.
