129.0 REQUEST TO EXTEND VISIT BY THE BIG WHEEL

The meeting was informed that the operator of the Big Wheel had asked to extend his stay for a further three week period. During discussions with the Town Clerk, he had offered to pay an extra £1,500 for this extension.

A member asked if there had been any complaints from residents concerning the location of the Big Wheel. The Town Mayor said that all properties in the vicinity of the Big Wheel had been circulated prior to its arrival and there had been no complaints received.

A member said that he would be supportive of this extension but didn't want further extension periods to follow. In response, the Town Mayor said that he knew that the operator was due to move the attraction to Llandudno at the end of the six-week period.

It was proposed, seconded and carried unanimously that the three week extension for the Big Wheel to remain on the Green be granted for the agreed additional sum of £1,500.

The money donated by the operator for the present three week period had been given to the Town Band; this was to help fund the Youth Band to travel to Utrecht to represent Wales in the European Brass Band Championships. In addition the Town Council had made a further donation.

It was proposed, seconded and carried unanimously that the additional payment be placed into a central fund to be used to support local groups and organisations as required.

There was no further business and the meeting closed at 7.10 pm
